

PIC FREEZE REMOVAL authorization form

In order to avoid having your local telephone service and long distance carrier changed without your consent, Reserve Telephone Company, Inc., dba RTC, has established a PIC Freeze on your account at your request. While your PIC Freeze remains on your account, you cannot be “slammed” or switched to another carrier without your permission. To lift a PIC Freeze, please complete and return this form to the address above.

I hereby authorize RTC to remove the PIC Freeze on my account(s) (as designated below) so that my choice of Service Provider can be changed.

SERVICE CATEGORIES Check all that are applicable to this request.

_____ I agree to terminate my PIC Freeze for my Local Telephone service with **RTC**.

Phone numbers to be removed from the PIC Freeze.

authorized customer signature	date

_____ I agree to terminate my PIC Freeze for my IntraLATA Long Distance service with **RTC**.
IntraLATA are toll calls made within your service area but outside of your basic local calling area.

Phone numbers to be removed from the PIC Freeze.

authorized customer signature	date
